**VA Loma Linda hosts Women's Health Center open house March 31**

By Ashley Van Dien, VALLHS Staff Writer

**LOMA LINDA, Calif.** — VA Loma Linda Healthcare System is hosting an open house event for the Women's Health Center at 10391 Corporate Drive in Redlands March 31 from 2-4 p.m. The event is open to the public.

Visitors can tour VA Loma Linda's newest location, where women Veterans receive comprehensive care in an updated private setting. The open house will feature clinic tours, interactive exhibits, and information tables.

"We're excited to serve the growing population of women Veterans at VA, with health care that is tailored to their needs in a sensitive, respectful environment," said VALLHS Women Veterans Program Manager Lisa Roybal. "Women Veterans belong at VA."

VALLHS Women's Health Center opened in September 2022, expanding access for women Veterans by nearly doubling the space designated for women-centric care. The 12,000-square-foot facility features 12 single-patient private exam rooms and two procedure rooms with dedicated patient lift systems. The center has 17 front parking spaces, two ADA accessible, and 11 additional rear parking spots.

The Women's Health Center contains the comprehensive primary care women's health clinic, gynecology surgery service, and Women Veterans Program manager and team. Regular business hours are 8 a.m. to 4:30 p.m. Monday through Friday.

Our Women Veterans Program offers comprehensive healthcare services including primary care, gynecology, nutrition, mental health and more. If you have questions about the Women Veterans Program or Women's Health Center, please contact the VALLHS Women's Health Center at 909-583-6765. For more information, visit [Women Veteran Care | VA Loma Linda Health Care | Veterans Affairs](#).

Media interested in covering the event should RSVP to [vhalompublicaffairs@va.gov](mailto:vhalompublicaffairs@va.gov) by noon May 30.
